# Decentralized Skilling and Education Protocol

Working Group Weekly Call

Call 11

18 May, 2022

House Rules

|	
Call commences with quorum	Call will commence as soon as a quorum of audience is present
Talking Stick Model for speaking	Moderator will call out the sequence of members to speak using a *talking stick* model (moderator selects one person at a time to speak)
Questions on chat	At any time during the call, please use the chat window inside Google Meet to type in the questions so that the speaker is not interrupted during their presentation flow
Open Contributions	All the contributions we make to the community remain open, and that there are no ownership or royalties held by any contributor on any contribution made
