

Decentralized Skilling and Education Protocol

Working Group Weekly Call

Call 15

8th June, 2022

House Rules

Call commences with quorum

Call will commence as soon as a quorum of audience is present

Talking Stick Model for speaking

Moderator will call out the sequence of members to speak using a *talking stick* model (moderator selects one person at a time to speak)

Questions on chat

At any time during the call, please use the chat window inside Google Meet to type in the questions so that the speaker is not interrupted during their presentation flow

Open Contributions

All the contributions we make to the community remain open, and that there are no ownership or royalties held by any contributor on any contribution made
