1. The profile pic should not be a blue circle. It should be their WALLET PROFILE PIC!

2. The wallet address should be in MEDIUM weight instead regular weight in type. This includes the GAS FEE row too. The token title should be in MEDIUM weight too!

3. The arrow icon seems small and squished Please replace it with an arrow similar shown above. This includes the GAS FEE row too.
**Applies to BOTH light & Dark Mode!**

Gateway (Mobile)

Nav Bar
* The light mode toggle in DARK MODE should be inactive (toggle slides left) while,

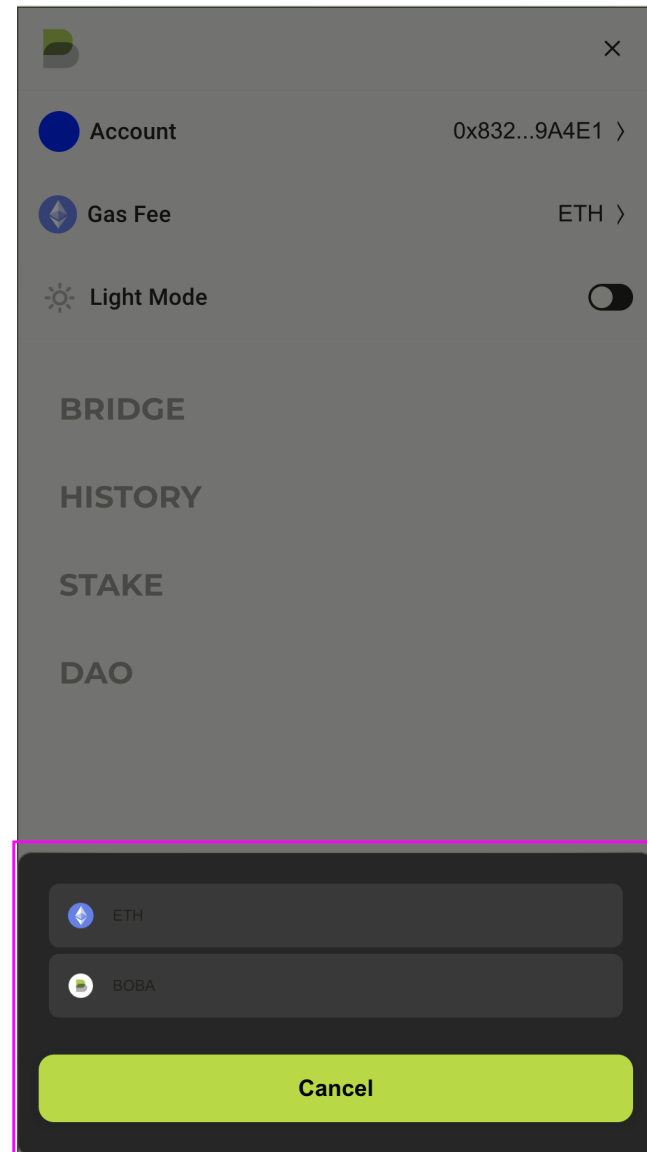

The light mode toggle in LIGHT MODE should be ACTIVE (toggle slides right)

Gateway (Mobile)

Nav Bar

* IMPORTANT: Also both the ACCOUNT and GAS FEE MODAL do not work! I can't select and apply any option on mobile
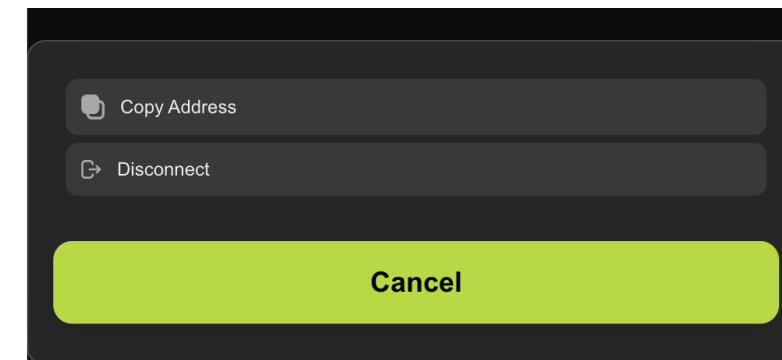

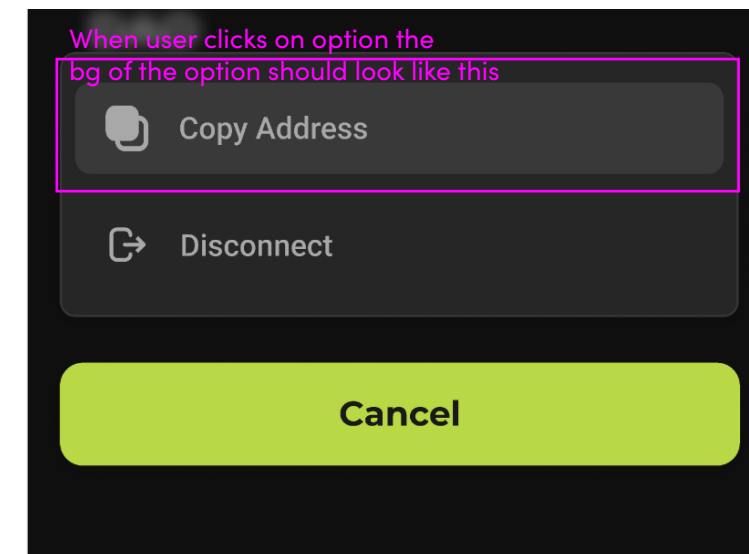

Current Gateway Website

Edited Prototype

Applies to BOTH light & Dark Mode!

Current Gateway Website

* The type size and icon is TOO SMALL and paddings around each selection is TOO NARROW

* The type weight SHOULD BE IN MEDIUM WEIGHT

Edited Prototype

Icon size: 24px
Type size: 16
Options Padding: Top/bottom- 12px
   Sides- 16px

Spacing: 16px

* In the LIGHT MODE nav bar, when the user clicks on either the account or gas fee, the dark mode modal pops up instead of light mode one
Gateway (Mobile)

Nav Bar

Applies to BOTH light & Dark Mode!
