## PROPERTY DESCRIPTION

Century-old windmill with 63m2, located on a property with 9.4 acres on the hills around Mação (central Portugal, near Abrantes).

Built on the highest hill, it borders with a beautiful stream of crystal-clear water with small islands and bays along its course.

The Windmill House, so typical of this landscape, consists of two levels entirely made of schist and has been renovated from top to bottom.

It is ready to move into.

The ground floor includes a living-room with fireplace and a small integrated kitchen. The floor is made of schist.

Upper floor: bedroom and bathroom, with the mill engine in the middle (still working if so required).

Electricity connected.

Water from borehole.

A little further down the hill, the miller’s house (see the sketch on the photos gallery), with its back half-buried in the ground, has also been renovated in the same spirit. It comprises a living room, small kitchen, bathroom and sauna.

There’s permission to build another extra 1,250m2 on the property if so desired.

A small, unique piece of paradise.

Good access.

Absolute privacy. Protected area, beautiful views.

minutes away from the highway, one and a half hours from Lisbon.
