Title	Only the frets are displayed
Description	For the guitar input below, only the fret numbers are displayed on the preview window. None of the note types are displayed
Steps to reproduce	<ol style="list-style-type: none"> <li>1. Run the application</li> <li>2. Enter the following input: <pre>  -----0----- 0-----   -----0-0--- 0-----   -----1----- 1- 1-----   -----2----- 2-----   -----2----- 2-----   0----- 0-----  </pre> </li> <li>3. Click on the preview button</li> <li>4. No note types are displayed</li> </ol>
Expected result	The expectation was that all the parts of the input tablature are displayed.
Actual result	Note types were absent.
Screen shot	<p>The output was expected to look like this:</p>  <p>However, the note types (the line under the notes) are missing:</p> 
Version/platform	Windows 10, eclipse 2021-12 (4.22.0), JDK 17.0.2. As for the application, the lasts version of your master branch as of March 22 <sup>nd</sup>
