**QUOTATION ISSUED BY:**

MolPort EU office  
Lacplesa street 41  
Riga, LV-1011, Latvia

MolPort US office  
MolPort, Inc. c/o Slokenbergs PLLC  
291 Main Street, Beacon, New York, US, 12508-2735

Our Terms and Conditions of Sale are available on <https://www.molport.com/shop/terms-of-sale-and-supply>. Upon submission of this order, the purchaser agrees to the terms outlined therein.

All listed products are ONLY for research and development use. NOT for any other purposes. Products must be handled by trained personnel.

Sample reformatting: compounds reformatted and delivered in plates as solids or DMSO solutions

Independent Quality Control service: We can run tests (NMR; LCMS; GCMS) for you while your shipment will be in transit. You will receive your analysis at the same time as your compounds.

FTP access: Our database of commercially available compounds is available for download in SD file format. The database is updated monthly.

Application Programming Interface: We provide (API) program so that you can access all the information available. We give sample projects in Java and C# programming languages to demonstrate the routines for API calls, data serialization, etc.
